

P.O. Box 917, Frankfort, IL 60423

Dear Donation Seeker,

Thank you for reaching out to the Frankfort Historic Business Association (FHBA) to help with your organization's fundraising efforts. Let us tell you a little about our group and how we work.

We are a group of approximately 30 downtown merchants who want to promote business growth while promoting community spirit in Frankfort. As such, we typically donate about 24 group gift baskets a year and primarily give a basket to a local organization that is working on behalf of the Frankfort/Lincolnway community or a Frankfort/Lincolnway resident with special medical needs.

If you feel that description fits your organization and fundraiser purpose, please feel free to complete the donation form and return it to the merchant who gave it to you. The merchant will then give the form to our donation team for review and you will be notified if we can provide a basket for your event. Please know that we receive many requests each year and we try to respond to them within 2-3 weeks.

Thanks again for thinking of us. We hope to see you back downtown soon!
